305.01 TRAFFIC-CONTROL MAP.

(a) Adopted. There is hereby adopted and established a traffic-control map for the Town which shall show at all times current designation of:

- (1) Through streets;
- (2) Truck routes;
- (3) One-way streets;
- (4) Play streets;
- (5) Stop intersections;
- (6) Yield right-of-way intersections;
- (7) Zones of quiet;
- (8) School zones;
- (9) Speed limit zones;
- (10) Prohibited or limited turning movements;
- (11) Stop-caution-go signals;
- (12) Pedestrian walk-wait signals;
- (13) Flashing signals;
- (14) Prohibited or limited use of streets to certain types of vehicles;
- (15) Parking prohibitions, restrictions or limitations;
- (16) Bus stops;
- (17) Taxicab stands;
- (18) Such other matters which by law are within the competence of Council with respect to the regulation of vehicles and traffic on the streets of the Town as designated on the traffic-control map.

The traffic-control map shall contain a legend designating the symbol, color and meaning of each subject matter used for traffic control.

(b) Designation. The traffic-control map hereby adopted is designated as "Traffic-Control Map of the Town of Belle" and shall bear such caption and the date of adoption and enactment.

- (11) Stop-caution-go signals;
- (12) Pedestrian walk-wait signals;
- (13) Flashing signals;
- (14) Prohibited or limited use of streets to certain types of vehicles;
- (15) Parking prohibitions, restrictions or limitations;
- (16) Bus stops;
- (17) Taxicab stands; and
- (18) Such other matters which by law are within the competence of Council with respect to the regulation of vehicles and traffic on the streets of the Town.

305.99 PENALTY.

(EDITOR'S NOTE: See Section 303.99 for general Traffic Code penalty.)
